> The inauguration of MBA Financial A Management of the Department of Commerce, Bharathidasan University, was recently held. Registrar V Radhakrishnan, inaugurating the programme, said continuous upgrade of knowledge was mandatory for management students to secure a good placement. In his keynote address, the Assistant Director of District Employment Office, P. Suresh Kumar, said the financial market has reached great heights with the increase in mergers and acquisitions of Indian companies globally. He suggested that the Department bring out innovative teaching methodologies like case studies. Department Head M. Selvam pointed to the various features available for the students, including the extensive collection of books on management in the department library.
