The Department of Commerce and Financial Studies, Bharathidasan University, Tiruchirappalli, Tamil Nadu, India proposes to organize the **FIFTEENTH ANNUAL INTERNATIONAL SEMINAR**, in line with its policy of conducting annual seminars on the theme of financial market research. A large number of authors from academia and industry, both from India and Abroad, would present their research papers in the seminar. This year’s seminar would be organized on **Financial Markets: Issues and Challenges (FIM IC- 2020)** and Eleventh SMART Journal Annual Award 2019 awarded by the SMART Journal of Business Management Studies, would be part of the seminar.

**SMART Journal of Business Management Studies** is an International, Refereed Journal, published bi-annually by Scientific Management and Advanced Research Trust (SMART). The Journal is dedicated to the promotion and development of research in general and to the field of business management in particular. The SMART also wants to conduct seminars and workshops to discuss various research papers in detail. In line with the above objectives, it is decided to organize the above Annual International seminar.

**Seminar Theme**

This year’s seminar proposes to examine the different dimensions of the Financial Markets. Among the intermediaries, Mutual Funds show signs of considerable change. Security Markets Regulation, its evolution and the challenges faced by it, have become an important matter of interest and debate. Further, issues pertaining to the Debt Market and Derivatives Market continue to nag the Indian Financial Markets. The seminar would mainly focus on the trends in the global financial system. The Indian Financial Market faces significant issues and challenges such as demonetization; GST implementation, and Digitalization over the past few years. The seminar encourages policy research on various sub themes. The Annual seminar on **“Financial Markets: Issues and Challenges (FIMIC-2020)”**, therefore, proposes to invite RESEARCH PAPERS in the following seminar tracks.
<table>
<thead>
