

## SUBSCRIPTIONS

SMART Journal of Business Management Studies is a PROFESSIONAL REFEREED INTERNATIONAL AND INDEXED JOURNAL in which research articles are published subject to BLIND REVIEW. It is a professional journal devoted to the analysis and portrayal of development in business management, banking and information technology. The journal plans to stimulate and develop future debate on areas of topical concern.

It is a biannual journal published in JANUARY and JULY every year. The journal will be useful to bankers, industrialists, professionals, teachers, researchers and students.
